Superintendent

October 2016

Dear Parents/Guardians of Incoming Freshmen - Class of 2021:

You and your student are invited to our Incoming Freshman Student and Parent Night:

Monday, December 12, 2016

6:00 p.m. – 6:45 p.m. - Curriculum Fair, Athletic and Activity Fair

6:50 p.m. – 7:30 p.m. – Presentation in Main Gym

Upon arrival, you will receive your student's placement test results which will be reviewed during the presentation in the Main Gym. The evening will also include an overview of the high school orientation process, course planning, career pathways, and high school registration.

In the month of November, students enrolled in public junior high schools will complete the Career Cruising Matchmaker Interest Inventory. The results of the Matchmaker Inventory will be included with the placement test results to help your student identify potential career pathways. Students are encouraged to pursue their identified pathway by selecting corresponding electives. Please refer to the included Career Cluster brochure for detailed information about Career Clusters.

The Freshman Elective Course Selection Sheet for the 2017-2018 school year is also included. This sheet lists the available elective courses from which your student could choose. Please review the list and discuss the options with your student. Detailed information about these courses, as well as the entire Township High School District 211 curriculum, can be found in the curriculum guide which your student will receive at their junior high school. An electronic version of the curriculum guide is also available on the Schaumburg High School website, under Academics.

A large turnout is anticipated for Incoming Freshman Student and Parent Night. Please arrive early to allow yourself time to meet with subject area teachers and view athletic and activity offerings.

Sincerely,

Timothy J. Little
Principal
