

Schaumburg H.S.

Water Polo & Swimming Clinic

SHS Girls & Boys in 7th and 8th Grade that will attend SCHAUMBURG HIGH SCHOOL

The Schaumburg Girls' & Boy' Water Polo, Diving and Swim Programs are offering an opportunity for future SAXONS to come to our new pool facilities to meet some of our Varsity athletes, learn new techniques, learn the game, and to experience firsthand what these programs can offer you!

These opportunities will allow you to, again, become familiar with these two programs, but also get to know some of your future teammates and coaches. I have attached a link for you and some information regarding the camp and clinic. Please indicate if you would be interested in joining us! We all look forward to your participation.
