

ATTENTION SOPHOMORES, JUNIORS, AND THEIR FAMILIES

College Planning Night for Juniors

Tuesday, February 20, 2018

7:00 p.m. – SHS Auditorium

REGISTER NOW

There are a lot of things to think about when you're looking at colleges. Deciding what's most important to your student makes finding the right fit easier. As you begin the college search, one of the first decisions you need to make — and one that helps narrow the list — is what size college you want to attend. U.S. colleges offer many options, from small colleges with fewer than 1,000 students to large state universities with more than 35,000 students. What's best for you depends a lot on personality and academic goals.

Please join us on Tuesday, February 20, 2018, at 7:00 p.m. in the Schaumburg High School Auditorium. College admission counselor from Xavier University will compare and contrast the differences between large, public university and the small, private university. They will also discuss topics such as selecting a school that best fits the students' needs and how to navigate the college admissions process.

This program is designed for Schaumburg High School juniors and sophomores (Classes of 2019/2020) and their parents to begin the process of post high school planning. We know that this can be a confusing and overwhelming process, not only for students, but their families. Learning about the steps together can help reduce your stress and give you the tools needed to navigate through the system.

We are looking forward to meeting with you and your student on Tuesday, February 20, 2018. Please [register online](#). If you have any questions, please contact Liliana Pirtle at (847) 755-4630 or lpirtle@d211.org.
